Cable News

WAR STORIES CONFLICTING

(Associated Press Cable.)
OKOSUKA, Japan, Oct. 19.—So serious does the government consider the situation on the Yangtze river at Hankow, and the district held by the revolutionists in China, that orders have been issued for the dispatch there of the torpedo-boat destroyers Shikimi and Makigumo. Their destination is Hankow.

Pitched Battle Renewed.
LONDON, Eng., Oct. 19.—Dispatches from special correspondents of London papers in Shanghai give conflicting reports of the pitched battle at Wuchang, which is stated to have been renewed. From Peking special dispatches assert that the investment of Hankow by the imperial troops is complete and that a collapse of the revolution is expected soon.

A conflicting report from the same source is to the effect that the imperialists have been repulsed in a battle fought at Hankow and have been driven for ten miles north of that city.

PASSIVE RESISTANCE WILL BE TURKS' POLICY
CONSTANTINOPLE, Oct. 19.—An emphatic resolution of confidence in the government was passed today by the deputies in the Turkish parliament.

The grand vizier, Hakkı Bey, outlined in parliament the policy which the government will follow in regard to the war with Italy, which will be that of passive resistance, at the same time continuing diplomatic negotiations with the powers to get them to intervene and bring pressure on Italy to force her to consent to satisfactory terms for a settlement of the war.

Fleet Bombarde Derna.
TRIPOLI, Oct. 19.—The Italian fleet bombarded the city of Derna, in the district of Barca, near the eastern frontier, on October 16, but a heavy sea prevented a landing of troops.

ALDRICH REVISES MONETARY PLANS

WASHINGTON, D. C., Oct. 19.—Senator Aldrich has submitted his revised plan based on the recommendations of the monetary commission, which have already been before Congress, and he has made one pertinent change.

His revision retains the recommendation for a National Reserve Association and a reserve fund of \$500,000,000, but the method of election of the directors of the association is altered for the purpose of minimizing any control of this vast sum by a clique.

The most important change made by the Senator is that the removal power of the President is eliminated, and a two-thirds vote of the board of directors is substituted.

PRESIDENT'S TOUR WILL BE CUT SHORT

BILLINGS, Mont., Oct. 19.—President Taft has reconsidered his proposed extended tour and will return to Washington on November 12. The announcement was made here this evening. Tomorrow the President will speak at Gillette and Newcastle, Wyo.

AVIATOR FOWLER WILL TRY AGAIN

LOS ANGELES, Cal., Oct. 19.—Aviator Fowler, who was unsuccessful in his recent attempt to fly over the Rocky Mountains by the northern route, started on a new flight in his biplane from Pasadena today, in an effort to reach the Atlantic Coast by way of the southern route.

MAKES NEW RECORD IN BIPLANE.

ST. LOUIS, Mo., Oct. 19.—Howard Gill, well known in Baltimore, Los Angeles and this city, established a new American record for endurance in sustained flight in his biplane here today, remaining in the air for four hours, sixteen minutes and thirty-five seconds.
